

The South Florida AGC's

# *2nd Wednesday Safety Session*

This month's topic

## **The State of OSHA In Florida**

**Presented by Condell Eastmond  
OSHA Area Director, Ft. Lauderdale Office.**

No entity has a greater impact on the construction industry's safety professionals than OSHA. This month we welcome Condell Eastmond, OSHA Area Director for the Ft. Lauderdale office. Mr. Eastmond will be sharing important data from this past year such as the number of inspections performed in the construction sector and if there were any significant trends discerned from them. We will also be discussing what he foresees to be his office's biggest focus when it comes to enforcement in 2021 along with the current makeup of his office. Be sure to register and reserve your space today for this, our last Safety Session of 2020.
